Headquarters T/O for Project [REDACTED]

- REFS : (a) Memo on the same subject for the Deputy Director (Administration) from the Assistant Director for Communications dtd 23 Jul 1954
(b) Memo to the Chief, Management Staff from the Chief, Budget Division dtd 27 May 1954

1. Reference (a) requests that the additional ten (10) ceiling positions approved for the Office of Communications for Project [REDACTED] be transferred to Commo from the FI/[REDACTED] wherein they were established by the Office of Personnel through the issuance of Form 30-25 "T/O Change Authorization", No. 849 dated 25 March 1954.

25X1A

25X1A

2. The reference memorandum also states that the Chief, Administration, DD/P concurred in having the Office of Communications maintain final administrative responsibility over the technical communications personnel required for Headquarters support of project [REDACTED]

25X1A

3. In reference (b) it was pointed out that both the Office of Communications and [REDACTED] FI were carrying the same ten (10) additional technical communications headquarters positions applicable to the subject project in their ceilings although it was understood that steps were being taken to resolve this duplication.

25X1A

4. The Budget Division concurs in the subject request since it will, it is understood, clear up the above duplication and will authorize the T/O required to provide the ten (10) positions for which ceiling was approved by the DD/A in his memorandum to the Comptroller dated 12 February 1954.
